GCSE Mathematics (Linear) - 1380
Paper: 1380/ 3H

Edexcel is one of the leading examining and awarding bodies in the UK and throughout the world. We provide a wide range of qualifications including academic, vocational, occupational and specific programmes for employers.
Through a network of UK and overseas offices, Edexcel's centres receive the support they need to help them deliver their education and training programmes to learners.
For further information, please call our GCE line on 08445760025 , our GCSE team on 08445760027 , or visit our website at www. edexcel.com.
